

Encourage Natural Play with PlayMounds!

This is what kids were meant to play on!

With architects and playground designers looking to bring back natural play options, mounds and contours are the latest buzz. **Playground Grass™ by ForeverLawn®** has once again answered the call by introducing a line of pre-fabricated foam mounds constructed from durable, long lasting closed cell EPP (Expanded Polypropylene)—these mounds are engineered to last. PlayMounds make it easy to achieve a fun, safe environment for kids to play and exercise.
